The Alps Lounge

Whether for business or pleasure, you can enjoy world-class comfort and service in our Alps Lounges and partner lounges around the world.

EuroCay Airlines Alps Lounge is part of the Airline's total travel experience – with 5 high-service facilities providing Suites, First and Business Class customers and Club members with the same exceptional service on the ground as in the air.

You can enjoy access to our lounges if you are our Suites, First or Business Class passenger, or Club and EuroCay Elite Gold members departing on EuroCay Airlines operated flights. For travelers on codeshare flights, lounge entitlements would depend on the rules of the airline operating your flight. In Frankfurt, EuroCay Elite Gold members departing on EuroCay Airlines Economy Class are entitled to use one of the two Europe City Club (ECC).

Our customers' comfort is of utmost priority in our Alps Lounges and an array of facilities and services have been included to ensure your needs are well met. Sample a variety of food and beverage from our self service buffet and bar counters or keep yourself updated on news and developments around the globe with a variety of newspapers and magazines. You can also stay connected with your business contacts on your laptop computers or our workstations with complimentary Internet access (WiFi/LAN).

Lounges are available only through the hours of 10:30z-04:30z
